Bulletin #4 – March 2026

NATIONAL COUNCIL OF ADMINISTRATION

Meeting Feb. 12, 2026

The National Mid-Winter Council of Administration was held on Thursday, Feb. 12, 2026, on the Celebrity Reflection cruise ship. Everyone had a wonderful time.

The National Ambassadors gave an update on their programs. They also mentioned several departments that have done an impressive/outstanding or out-of-the-box jobs.

As of Feb 11, 2026, the Big Ten was in 3rd place for membership. Ohio's Heather Figueroa was acknowledged for her promotion of membership.

George Martin gave an update on Life Legacy Membership. National will be getting the information ready for the members to see soon. It will be behind the MALTA Login. This information will list the cost; the years your Auxiliary will receive your payout and what the member receives when they purchase this membership. As soon as it is available in MALTA, I will let you know. National is planning to have the vote to accept or not to accept the Life Legacy at this year's National convention in Reno.

PLEASE get with your Auxiliary Brothers and Sisters to discuss how you would like your Auxiliary to vote for or against at our June Convention so I will know how to cast Ohio's vote in Reno.
